Third Fortnightly Crop Report

Issued by Department of Agriculture, Alberta Government, Edmonton, Saturday, May 16, 1925.

Seeding of wheat is practically completed throughout the province at this date, save in the territory immediately tributary to Edmonton, which appears to be somewhat later, and where from 50 to 75 per cent of the wheat is in the ground. A few days more of the present favorable weather will see the completion of wheat seeding in this district.

Reports received indicate that the increase in wheat acreage over the province will probably be 10 per cent. Delay in spring operations due to backward weather in the more central and northern districts has led to considerable area of wheat being seeded on stubble, a larger area than usual being put in in this way.

Seeding of the coarse grains is well under way with from 20 to 30 per cent completed. The weather generally speaking during the past fortnight has been cool and backward, with frosts in certain localities and growth consequently has been slow. In some of the southern districts early sown wheat is up from two to four inches. Warmer weather has prevailed during the past few days, but there has been no precipitation to speak of in any locality since last report. Moisture conditions continue satisfactory, however, there being sufficient in the soil to give good germination.

Pasture is improving rapidly, and stock is picking up in condition. A good deal of water is still lying in the low places in nearly every district in the province. Sloths which have been dry for some years past are well filled.

In the southern districts there has been a very large increase in the area given over to sweet corn, corn and alfalfa. In the Leithridge district, planting of sugar beets is about completed. Percentage of winter killed wheat and rye is small.

No serious outbreak of grasshoppers is anticipated this season. Farmers, however, are urged to keep a sharp lookout for any outbreaks that may occur and report same to the Department at Edmonton at once.

COMING EVENTS

A U.F.A. meeting will be held in Mr. Fred Dunn's office, Strathmore, at 8 p.m., on Saturday, May 30th.

Sale of Work and Home Cooking under the auspices of Namaka Ladies Aid, will be held at the home of Mrs. H. Johnson, on Saturday, May 30th. Afternoon tea will be served. 27-5

IDAHO TEACHERS COMING

According to word received in Edmonton, a party of Idaho teachers plan to motor to Alberta during June, visiting Leithridge, Calgary, and Edmonton, as well as other points in the West.

Standard

Mr. and Mrs. Keith Stinson left Strathmore last week for Lamberton, B.C. where they will make their future home.

Mr. F. D. Knowlton spent Sunday, May 10th, in Calgary, where he visited with her uncle, Mr. A. Pringle, of Vancouver, and her sister, Mrs. A. Pringle, of Lacombe, who were if the city at the time.

Mr. and Mrs. C. R. Kidd are at Chancellor at present at the home of Mr. and Mrs. F. Giberson.

Miss Lynda Anderson is visiting in Calgary for a few days.

The home of Miss Anita Larsen was the scene of much gaiety on Friday afternoon, May 15th, when she entertained at a miscellaneous shower in honor of the occasion with friends, a bride elect of this month, about sixty guests gathered at Miss Larsen's home, which was beautifully decorated for the occasion with flowers, noisettes, plants, and feathery ferns. Orange and white streamers, a bright table centre, and suspended candles were the decoration for the party.

The chairman and treasurer were empowered to sign checks. The canvassing committee reported that they had already received donations of \$250, and were still on the job. This year, with voluntary labour for the erection of the corals etc., the management hope to be able to give a fine day's sport, and at the same time turn over a large sum to the Memorial Hall fund.

Mr. and Mrs. Jorgen Laursen arrived in Standard last Wednesday morning. Mr. Laursen was married while in the "old country" and we take this opportunity of extending to Mrs. Laursen a very hearty welcome to our community, and of wishing them both every happiness and continued health and prosperity.

Nearly everyone joined in the tennis tournament last week and some good sets were played. Many of the beginners are showing good form, and with practice should soon be excellent players.

EMPIRE DAY

Monday, May 25th, is Empire Day, and all stores and places of business will be closed. Sports are being held at various points throughout the district.

ASSESSMENT BOARD AT WORK

The assessment equalization board for the province is now at work, the active members being W. J. Jackson, W. D. Spencer, B. Ferris and P. W. Hill, while of Richdale, who took the place of A. J. Donahoe on the board.

Arrangements for Stampede Completed

A public meeting held on Monday evening arrangements for Strathmore 1925 Stampede, to be held on July 25th were finally approved.

The recommendations of the various committees, which were outlined in the report of last week's meeting of the executive, were approved.

The only addition to the programme was a ladies maverick race, the calf being donated by Jim Barnett.

The sole concession of sale of refreshments to the Stampede were granted to the G.W.V.A., with power to give the concession as they saw fit.

Purchases for the Stampede will only be made on an order from the Secretary. The offer of Dick Cosgrave to provide the stock and handle them for \$275 was accepted.

Admission rates were fixed at \$1.00 for adults, high school students 50c, children free.

The athletic sports for the children in the morning will be looked after by Mrs. Howe and Currie. The grounds committee reported that the C.P.R. had granted the use of the ground for the stampede.

The chairman and treasurer were empowered to sign checks. The canvassing committee reported that they had already received donations of \$250, and were still on the job.

This year, with voluntary labour for the erection of the corals etc., the management hope to be able to give a fine day's sport, and at the same time turn over a large sum to the Memorial Hall fund.

Car Overturns

Two Local Men Injured

On Wednesday, while two local men employed with the C.P.R. Irrigation Department, were on their way from Strathmore to Gleichen, their car overturned on a newly graded road three miles north of Gleichen. Mr. Gillespie, better known here as "Kah", was thrown clear, but Dave Weaver, who was driving, was pinned underneath the car. Gillespie, though himself hurt, extricated Weaver, who had one leg tangled up with the steering wheel, and then went to the nearest farm for assistance. Dr. Howles, Gleichen, was shortly on the scene and had both men conveyed to Gleichen Hospital. Gillespie is now back in Strathmore, but Weaver is still in Gleichen Hospital, suffering from shock and injuries to the head, face, and other parts of the body. He is, however, doing as well as can be expected. The car was towed back to Strathmore on Monday for repair. One wheel is broken, and the top and wind shield destroyed. The car turned completely over, and finished up facing the other way from the direction it was proceeding when the accident occurred. Both men had a very narrow escape.

According to a phone message relayed at 2 o'clock this afternoon, Leonard Edwards has shown considerable improvement, and it is now expected that he will pull through.

Cheadle Boy Badly Injured In Auto Crash

As the result of a motor accident in East Calgary on Tuesday morning, between the Mailing Plant and the Alberta Flour Mills on the Ogden trail, Leonard Edwards, Cheadle, son of Mr. and Mrs. O. Edwards, Cheadle, is in Calgary General Hospital, and at the time of writing is in a very serious condition. Another occupant of the car, Ernie Trevelyan, of Shepard, is also in the hospital, badly injured.

The accident occurred at 2:15 Tuesday morning. It is stated that the car in which they were riding attempted to pass another car, but encountering some loose gravel they ran off the road and hit a telephone pole, which was smashed a foot from the ground. The car was completely wrecked. Ray Olsen, of Cheadle, was also a passenger on the car, but escaped injury, and came back to Cheadle yesterday.

Other occupants of the car were Tom Jackson, and "Fat" Crawford. Crawford leaped from the car when he saw it heading for the post, and the relatives of the injured boys are at present in Calgary. Edwards was unconscious when taken to hospital, but it was stated that he regained consciousness last night, and again related this morning.

Trevelyan is making a good recovery.

Four Wheels Smashed Off

The four wheels of the auto were smashed off and the radiator caved in, battering up the motor and crushing the frame. The car struck the pole head on.

Ray Olsen and J. Wilson, C.P.R. trainmen saw the car approaching a railway crossing not far from the scene of the accident about 2:10 a.m., and they stated that the auto had to stop while the train passed.

Ray Miller, Calgary taxi driver, a brother-in-law of Edwards, went to the scene of the mishap and reported the matter to the police about 4 o'clock. He stated that he had learned of the accident about 3:30 o'clock.

News of the Pools

As the time approaches for the drive for membership for the new provincial dairy, livestock and poultry pools, which is to be held June 8th to 28th, the organization work is speeding up, and the various factors in the drive brought into co-ordination. Large posters, advertising the drive and the benefits of cooperative marketing, are now being circulated throughout the province, and it is the intention to have the posters placed in all conspicuous places. The moving campaign throughout the rural areas has commenced, and the sum of interest in the campaign.

There will be over 500 meetings held throughout the province in connection with the drive for membership. The organization of these meetings is now under way, and they will start on June 8th, simultaneously with the drive. It is hoped to have several important speakers for the meetings, as well as local speakers.

Beginning next week, the Joint Organization Committee of the three pools will make its headquarters in the office in the C.P.R. Bldg., at Edmonton. Extra space has been acquired and the drive for membership will be directed from these offices. The Board of Directors of both the livestock and dairy pools will meet in Edmonton on May 29th, a Joint meeting of the three boards of the three pools will be held on May 30th, and a meeting of the directors of the poultry pool will be held on June 1st.

The first case of eggs to be consigned to the poultry pool arrived in Calgary last week, from a shipper at Wrentham. Since the pool is not yet in operation, the case of eggs was diverted to the provincial government cooperative marketing service.

The Egg and Poultry Pool is in receipt of an interesting letter from George Stevenson, of Coramaton, first vice-president of the Alberta Provincial Poultry Association, and President of the Poultry Association of Coramaton. Mr. Stevenson assures the pool of his support and best wishes for the success of the pool, saying "personally I am a great booster for cooperative marketing and always have been for the last ten years. I have always said that it was the only salvation the farmer had."

Hot and Dry Weather

During the past week warm dry weather has prevailed. Under the impetus of the sun, all vegetation has made rapid progress, and wheat is already several inches high on many fields. Seeding of wheat is now completed, and many farmers have completed their sowing of all grain crops.

While the crop has not suffered so far from the dry weather, there being good reserve in the subsoil this spring, yet at the time of writing, and if a good rain would be welcome, and would hasten growth.

The area in crop throughout the district will be about ten per cent larger than last year. A considerable amount of spring plowing has been done, the ground conditions having been very favorable.

ERRATUM

Owing to a transcription, the advt. in the Strathmore Trading Co.'s ad. in this issue requires correction. The Sunlight Soap Apron Deal offer should read as follows:

1 extra heavy Rubber Apron \$2.00
4 bars Sunlight Soap30
2 bars Lifebuoy Soap20
2 packets Lux25

Death of Mrs. F. Lilly

The death took place on Wednesday of Mrs. F. R. Lilly, wife of the Town Clerk of Strathmore, at the home of her son-in-law and daughter, Mr. and Mrs. J. King, of Calgary.

Mrs. Lilly had been in failing health for a considerable time, but was not considered seriously ill, and on Friday left Strathmore on a visit to her daughter. She was taken ill shortly after arrival, and died on Wednesday, of heart failure.

The funeral took place at Strathmore on Saturday, service being held in St. Michael's Church, followed by interment in Strathmore Cemetery, the services being performed by Rev. A. D. Currie. The services were largely attended, and the floral tributes were numerous and beautiful.

Among those attending the funeral were: her husband; Mr. E. A. Lilly, Calgary, brother-in-law of deceased, and his son; her daughters, Emma (Mrs. King), Ida (Mrs. Morse), and Marian; Mr. Dick Lilly, her son; Mr. Jim King, son-in-law. The pallbearers were Messrs M. W. R. Bell, T. E. Widge, John Macdonald, H. Wood, John Taylor, and A. W. Girvin.

The late Mrs. Lilly was fifty-seven years of age. Though troubled of late years by increasing deafness, she was a faithful church worker, and assisted in a number of the women's institute social work for the benefit of the girls of the town. Having been with her husband and family in Strathmore since 1906, she was loved by a large circle of friends, who learned with great sorrow of her death, and who sympathize with the husband and family in their affliction.

Mrs. Lilly, whose maiden name was Charlie Elodie Dier, was born at Otago, Michigan. Her father and a brother live at Eugene, Oregon, and another brother is resident in Montana.

The following is an acknowledgment of floral tributes: Girl Guide Troop, The Anglican Guild, The Mayor and Council of the Town of Strathmore, Strathmore Lodge, No. 52, A.F. & A.M., Strathmore Chapter, No. 21, K.A.M., Women's Institute, Mr. E. A. and Miss Elzabeth Lilly, The Family and Sydney Harper, Miss Sarah Wright, Mr. and Mrs. Gilbert Patrick, Mr. and Mrs. Frank Herriman and family, Mr. and Mrs. J. Brennan, Mr. and Mrs. M. E. Garrett and family, Mr. and Mrs. T. E. Wright, Mr. and Mrs. Wm. Bishop, Mr. and Mrs. L. B. O. Loomell, Mr. and Mrs. T. H. Eves, Mr. and Mrs. C. Sorenson, Mr. and Mrs. H. J. Stone, Mr. and Mrs. M. S. Hirtle, Mr. and Mrs. Hugh Williams, Mr. and Mrs. George Berry and family, Mr. and Mrs. A. Johnson and Esther, Mr. and Mrs. R. McCann and Pearl, Mr. and Mrs. Robt. S. Stockton. One wreath received similar card.

We take this opportunity to acknowledge our thanks for the sympathy and help extended us in our recent bereavement, and our thanks for the numerous and beautiful floral tributes. F. R. LILLY and Family

The trees are now coming out in full leaf, and Strathmore presents a pretty appearance as the result of the work done within the past twelve years.

Short courses on Bacon Hogs will be held under the auspices of the Dominion Livestock Branch, Provincial Department of Agriculture and the Faculty of Agriculture at the University, at the following places: Didsbury, June 8 and 9; Red Deer, June 10 and 11; Wetaskiwin, June 12 and 13; Camrose, June 14 and 15; Steiner, June 17 and 18; Mirror, June 18 and 19.

Every other province in Canada is charging higher rates on both rural and urban services than in Alberta. The change should have been put in effect in Alberta years ago, but was deferred on account of fear of offending the public. It cannot be longer delayed. Even at present \$100.00 is outstanding in rural phone charges in the province, while the exchange subscribers are not able phone users to pay part of the cost of their phone service. But we find the local exchange which the author of the metrical version of "Equal Rights for All" is a member, has recently protested against any rise in rates.

LOCAL JOTTINGS

OF LOCAL INTEREST
Readers are requested to send in items for this column not later than 12 o'clock Monday noon on the preceding day of publication. All local news items are welcomed by the Standard, Phone 17 or 68.
No less than twenty-four cars were parked outside St. Mary's Catholic Church at Sunday forenoon's service. A large new barn is being erected by Mr. M. S. Hirtle on Mr. Alex. Rochon's farm.

Considerable excitement was caused in town on Friday by a fire at the residence now occupied by Mr. Fleming, at the west end of Fourth Street. When the alarm was turned in, part of the fence and coalshed were burning strongly, but within a couple of minutes of the alarm both fire engines were shooting coalshed on the blaze, and it was soon subdued. A strong wind was blowing at the time, and if it had not been for the prompt measures taken the effect would have been very serious. The origin of the fire is unknown.

Mr. David Peterson, of the Cheadle Farm, reports potatoes up an inch and a half on Friday. Can anyone beat that?

Among the accomplishments of summer are the mosquitoes, which have this year made their appearance earlier than usual. While the mosquito is not a type of acquaintance that one greets with pleasure, yet there is some consolation in the fact that the annoyance of mosquitoes is heralded as an indication of good moisture conditions.

The irrigation water is now running in the main canal, and while there have not so far been many applications for it yet if the dry weather continues it will be used extensively.

Strathmore merchants report very good business this spring, especially on Saturday evenings, when it has been hard to see the streets for cars.

The practice of putting hot ashes near school fences is a dangerous one. An outbreak of fire from this cause Sunday morning was only averted by the promptness of Mr. Fred Kingston, Town Constable, who saw it from the Town Hall, and smothered it at its commencement.

Readers will have noted that there have been no notes from Iricana for the past two weeks. This has been due to the illness of our correspondent, Mr. Hugh Miller, the genial general merchant of that place. We are pleased to learn, however, that he is now better.

Telephone Rates May Rise
The telephone system owned and operated by the Province of Alberta is giving good service, but it is not paying its way. It is likely this year that rates will be raised.

If the fees received from phone services do not meet the cost of operation, interest, and replacement, then the public as a whole must make up the deficiency. Protests are already coming in from farmers, locators, etc., against the proposed rise in rates, but as the farmers organizations have always professed to act on the motto of "equal rights to all," they should not ask non-phone users to pay part of the cost of their phone service. But we find the local exchange which the author of the metrical version of "Equal Rights for All" is a member, has recently protested against any rise in rates.

The change should have been put in effect in Alberta years ago, but was deferred on account of fear of offending the public. It cannot be longer delayed. Even at present \$100.00 is outstanding in rural phone charges in the province, while the exchange subscribers are not able phone users to pay part of the cost of their phone service. But we find the local exchange which the author of the metrical version of "Equal Rights for All" is a member, has recently protested against any rise in rates.

The Right Way to Boil Potatoes

Put the potatoes in an SMP Enamelled Potato Pot. Cover with water, add salt to taste. Boil until soft. When finished, drain off all the boiling water through the strainer spout. No danger of steam scalding the hands, because the handle securely locks the cover on. If your family uses potatoes, you require one of these.

MANY JOIN WHEAT POOL

NEW OIL REFINERY

There are now 32,000 farmers in the Alberta Wheat Pool, according to a statement made by a director of the pool last week.

A new oil refinery, the third to be established in Alberta will be opened at Edmonton shortly by the Alberta Refineries, Ltd.

School Column "Why We Should
Buy At Home"

By Virgie Calder, Iricana

The school sports, under the auspices of the Bow Valley Local of the A.T.A. were held at Carleton Place on Saturday, May 16. The day was fine and there was an excellent turnout. Seventy-six dollars worth of refreshments were sold at very cheap prices at the 5-cents. A fuller account of the revenue made and the winners in each event will be published in next issue. Of the five shields, four have been awarded, one to the junior pupils of Carleton, one to the intermediate pupils of Carleton, one to the senior pupils of Carleton, and one to the High School, Strathmore. The winners of the fifth shield have not yet been ascertained. Of the pins for highest points, three were won by Strathmore, the winners being Irene Glous, Jack Anselin, and Esther Stockton. One was won by Nankana School (Charles Bremner), one by Glenora School (Woodrow Downey) and nine by Carleton School (Marion Jamison, Kenneth Nelson, Olga Saddle, Helen Cole, Grace Jamison, Jack Cole, Bert Woodrow, Wilbur Metcalf, Blair Field).

The points won are as follows:

Carleton 179, Strathmore 154, Carleton 13, Glenora 17, Nankana 28, Blind Creek 6.

Some of the records made were: Girls' baseball throw—one hundred and thirty-nine feet nine inches (Gibbel Lausby); Boys' high jump—four feet six inches (Dean Tweedley); Boys' running broad—16 feet 9 inches (Jack Anselin).

We wish to thank all those who furnished cars for the convenience of competitors to the sports. Very great credit is due to Mr. Robertson, manager of the sports, for the way in which everything had been planned and organized for the day. He had forgotten nothing, and the programme worked excellently.

These sports are to be an annual event at Strathmore and Carleton at Carleton. It is hoped that more schools will show enthusiasm next time. It is quite possible for a rural school to win any of the shields. Two of the pins for best athletes in the class were won by one-roomed schools.

Keoma Notes

Mr. and Mrs. Thompson, Mr. and Mrs. Heaulter, Mr. and Mrs. Wilson, and Messrs. McKay and Hall, visitors to Calgary last Monday to watch Mr. P. (Lefty) Brown, late of K-K's, play for the Huskies vs. Atlantic.

Last Sunday the baseball fans had an unpleasant shock when they found that the baseball outfit had been stolen from the scale-house where it was kept. Everybody searched all over town, but with no luck. Our amateur detective, however, soon discovered them hidden under the coal shed, to the great relief of the whole community.

The Calgary team that is to play on the Gila Day, May 25th, the East Calgary team. This will be a league game, while that of K-K's vs. Iricana is a friendly game. The chance in the evening should be a success as we have been fortunate to obtain a good Calgary orchestra. Lunch will be served both on the field and at the dance. Races and sports will be held for the children, and prizes will be given to the winners.

The farms around should look fine soon as many gooshead farmers are growing their own fruit. Good luck to them.

Last Sunday the Anglican church held evening service in the school. Quite a number attended although there was room for many more. Mr. Blount preached a very interesting sermon. He is taking the place of Mr. Atwood, who is seriously ill, and whose friends wish him a speedy recovery. The next service will be held May 24th, at 11 a.m.

Beiseker Notes

The first game of the "Big Five" baseball league will be held in Beiseker on Monday, May 25th at 2 p.m. Beiseker and Acme are playing as come on and root for your home team, and you'll see some action. Don't miss this.

A very interesting and appropriate service was held in the Beiseker Union Church in commemoration of Mother's Day. The flowers used for decoration gave a very beautiful effect. Rev. Mr. Smith delivered the address.

The main argument is that by doing so, we keep the money spent in the home locality, and so make it more prosperous. For instance, if the business transacted in a town like Iricana, is increased, it makes the merchants richer, or else provides a living for more merchants.

This effect, in turn, will make it possible for the town council to collect more money in the form of taxes, and to make many such needed improvements such as building walks, paving roads, building schools, and so on. The walks and roads would be much appreciated in a town like Iricana, as it is in such a low place that the least rain or snow makes the roads impassable.

If the people of Iricana and the Iricana district would deal at the Iricana stores, instead of going to Calgary, they would help the merchants, and the money they use to buy gasoline with, to go to the city, they could use it to help improve their farms.

If Iricana was to have quite a bit of trade, and the other towns along the railway from Calgary to Edmonton, the railways would have about two trains a day going each way. This means about five or six trains a day from Drumheller and Bassano.

When it is such a railway centre, or trade centre, people would come and live in the town and live here. This would help the growth of the town and increase the amount of taxes.

If the merchants worked up a pretty good trade, and with the railway accommodation, the government would likely see its way to encourage but not factories, flour mills, etc. It would be much cheaper to sell cream here than to have to pay express to ship it to the city. Flour would be much cheaper to buy from the mill at the home town than to have it shipped from some city or mill.

By the railway accommodation a moving picture manager could have shows here once or twice a week. They are very educational. You learn of different parts of the world, and what they are doing there.

The better school facilities will react to the benefit of the surrounding community by giving an opportunity to get an education without being at the expense of going to another town or city, which has a better school.

The objection is sometimes made that local merchants do not carry sufficient assortment to choose from, but the larger business a merchant is doing, the larger stock he can afford to carry, and hence the better service he can afford to give his customers.

Rosebud News

Miss Georgia Kempf has accepted a position as teacher in a school near Hanna.

John Patterson was a guest of the Hymas family the past week, and renewing old acquaintances at the dance.

Mrs. Till showed her hospitality as usual, when a number of friends, viz. Parker, Weston, and Schultz families and Harold Hudson dropped in for the day on May 10th.

A large attendance at the tennis dance on the 15th. All had a good time.

Mrs. Bert Hill has a sister visiting her.

The Rosebud Cooperative held a meeting May 16th, to complete arrangements about their new building.

Mr. W. Hymas was busy looking for his cattle last Sunday, while "The Folks at Home" turned the ice-cream freezer. No doubt he was home "to lick the dishes."

Fred Campbell came up to play the drums for the dance and spent the week end at the home of his parents, Mr. and Mrs. J. Campbell.

Mr. and Mrs. A. Storey are returning to Calgary for the summer months.

Clifford Hutton was a welcome person to his old friends, when he appeared at the dance.

Dr. Richardson, wife and son, of Calgary, spent the week end with the doctor's sister and her husband, Mr. and Mrs. A. Storey.

SOLUTION OF LAST
WEEK'S PUZZLE

INCREASE IN POPULATION

According to an estimate made by the provincial government, the population of Alberta at the end of 1924 was 640,000, an increase of 52,000 over the census of 1921. It is also estimated that 40 per cent. of the population of the province is of British origin.

GRAIN PRICES

The following grain prices are for grain by wagon-load at Strathmore.

Baseball

Strathmore will play at Gleichen on Empire Day, when sports are being held at the latter town.

Carleton is celebrating Empire Day, May 25th, with a double-header, both games being held in the afternoon against the White Sox, of Calgary. A big dance will be held in the evening.

The opening of Standard sports grounds will be celebrated on Friday, May 29, with a football game between Standard and a selected team at 4 p.m. and a ball game between Standard and Strathmore at 6 p.m. The evening will conclude with a dance.

The K-K-K's (Kooma, Kathryn Klub) will meet the Iricana baseball team in combat at 2 in the afternoon, Empire Day. The game is part of a big programme of sport, including turkey shoot, children's sports, etc. to be held at Kooma, concluding with a dance at night.

Strathmore 16, Carleton 15. The first game to take place in the Strathmore this summer, played on the 15th between Carleton and Strathmore, was somewhat in the nature of a merry-go-round. The game was late in starting, and Strathmore were not able to play the 7th inning on account of darkness.

Strathmore was well ahead up to the sixth inning, but in that inning Carleton collected eight runs, principally off Rae, who relieved Eddie Crellin in the box. Eddie had been holding the visitors down pretty good until relieved.

Scores by Innings:

Strathmore—	5 3 6 0 2 4-16
Carleton—	0 1 2 0 4 4-15
Strathmore—Storey s.s., R. Morton	1st b., Givens c.f., Miller c., Brown 2nd b., Jones 2nd b., Crellin p., W. Gray, c.f., A. Gray l.f., Way c., Rae p., Carleton—Dunn i.f., E. Givens 2nd b., Mace 1st b., Thomas c.f., Fortner p., Watts c., Givens l.f., Harper 2nd b., Gethke s.s., Winsted.

Umpires—Fisk and Anderson.

Keema 12, Strathmore 10. In the game played with Keema on the 17th, Strathmore led for the first seven innings, but in the eighth they allowed the K-K-K's to collect 4 on them, and were shut out in the ninth.

Strathmore got their advantage in the 1st inning, when they collected six runs.

Scores by Innings—
Keema— 2 0 1 1 0 2 0 6 4-15
Strathmore— 6 0 0 0 3 0 1 0-10
Strathmore team was practically the same as in the game with Carleton, and we have been unable to decipher the Keema lineup from the scorebook. Scorekeeper please note.

Umpire, Mr. Naylor.

Auto track races, and for information of the public only. Races are being staged by Mr. T. H. Eves, of the Robin Hood Elevator.

Golf News

The members of the club have made great improvements on the course in the past week, a large number turning out every evening to get the old sand on the greens, and nearly all of them are now in first class shape.

The remainder will be completed this week and the heaviest part of the work will be over. Much credit is due to the Vice-captain, Roland Hill, who superintended the work done on the greens, and the improvement made by the use of this machine is very marked. Several other improvements are contemplated by the Executive such as new tees and a fenced auto parking place with trees. The only thing holding up this work, the need for funds, and all those who have not already done so are asked to pay their fees at once so that the Executive can have some idea how much money will be available for improvement.

The 1925 programme can not be made up till the list of members is obtained, and only paid up members will be allowed to compete in future events, and matches with teams from outside points.

Arrangements are being made for a game with Rockyford on June 7th, and several team events and competitions are planned.

New cards are being printed, and as soon as these are available all members should arrange to turn in at least three cards so that the handicaps for the season can be arranged.

All new players who wish to join and want lessons are asked to see the club captain, Mr. F. J. Dunn, who will arrange for them to take part in the course, and instructed in the art. Many people have the idea that golf is an expensive game, but any golfer will soon prove that this is a fallacy, and from no other game can the individual get so much enjoyment.

Join up today.

LADIES CLUB

The last three Saturdays have witnessed almost full attendance of lady golfers at the links; three prizes of 100c being played for. Mrs. Van Tishem's aggregate for three scores was 197, which gives her the Grand Score Cup for 1925, with Mrs. Bidley only three strokes behind. 260. Miss Brown has the best aggregate in the second flight, winning and keeping the pin presented by the president. Aggregate score 229.

Mrs. Whitney made the best three scores against this season's beginners, and wins the prize of a golf ball.

Sub-committees to handle the social and entertainment have been appointed as follows:

Match and Handicap Committee.
Captain, Miss Watson; Vice-captain, Mrs. Van Tishem; Ranger Secretary, Mrs. Whiteside; Handicaps, Mrs. Williams, Mrs. McFarland.

Entertainment Committee.
Convener, Mrs. S. Chamberlain; Mrs. Stockton, Mrs. Wright, Mrs. Lyddall, Mrs. Hirtle, Mrs. Rowe.

Monday, May 25th, being a holiday the ladies will hold a single club competition in the afternoon, for prizes. Choose your favorite club and play.

On Wednesday afternoon last Miss Lily Allison, sister of Mr. Jack Allison, who farms extensively east of town, was hostess at a delightful afternoon tea in honor of her sister, Evelyn, who will become a bride in June. A large number of Miss Allison's immediate friends and neighbors attended, and thoroughly enjoyed a jolly afternoon.

Miss Alva Drake, a pupil of the Western Canada College, visited her parents over the week end.

A grand gala day is extensively billed to occur at the town of Keema, the home of Tom Hull, on Victoria Day, May 25th. The sportsmanship of the inhabitants of the Indian-named town is ancient history, and needless to mention, a real day's outing is eagerly looked forward to. Tom Hull visited Iricana a few days ago, and delivered a miniature lecture to the natives of the sweet surprises in store for a sport-loving populace at the town of Tom's adoption. Trap shooting, motor races, baseball, foot races, and sports for the kiddies, and goodness knows what Tom didn't tell us about as he wiped the silver spray off his unsharpened nose. The programme for the big event is in the capable hands of Mr. A. Rummiller.

MANY TOURISTS VISIT ROCKIES

—O—

The season of 1924 saw more than 50,000 tourists visit the Rocky Mountain National Park, according to figures recently made public this was an increase of about 20,000 over the previous year.

FATTED CALVES FOR BRITISH BUTCHERS

(1) A particularly fine collection of sheep awaiting a train. (2) Western sheep, ready for market, awaiting a train. (3) Western sheep, on their way to the Canadian Pacific East End Cattle Market. (4) These spotted boys wouldn't find it unusual if they saw how close they are to an abattoir.

These four-footed emigrants are on their way to Europe. They belong to the Livestock Producers of Canada and have taken lodgings for the night at the Canadian Pacific East End Cattle Market, Montreal, before continuing their long journey from Winnipeg to Glasgow.

The extent and the variety of the activities of the Market, its value to the community and indeed the fact that it exists at all is not widely known as it should be, except among those farmers, drovers, butchers, buyers and exporters who make use of its manifold conveniences.

The market has been in operation on its present site for 17 years. It has accommodation for 2,000 head of cattle, 5,100 head of sheep, lambs and calves, 1,800 hogs and can provide sleeping quarters, board and valet service for a total of 14,000 animals at a time. Its export sheds, said to be the finest in Canada, have 30 modern, light, airy pens in which 1,000 transient guests may be housed without crowding or difficulty.

The establishment has facilities for handling, branding, exporting, killing and chilling cattle, sheep, lambs, calves, hogs, milch cows, bulls and horses. There is, in the market grounds, a modern and well equipped abattoir where local purchasers may have their stock killed quickly and efficiently. Incidentally, the stock coming from the western farms and ship-

ped to England or sold locally is, almost invariably of superb quality, being equal to the finest stock in the world.

Cattle is sold on the market four days a week, auction sales of horses are held once a week, roping and branding takes place weekly and slaughtering is a daily occurrence.

The market, in all its branches is owned and operated by the Canadian Pacific Railway and is government inspected.

J. H. Pierpont, the manager, says that the present consignment, of which only a few are shown above, is one of the finest that has ever passed through his hands. Some of them are show cattle, bound for Wembley, and the others, less fortunate, will probably be converted into the roast beef of Old England and grace the tables of London, Leeds and Manchester.

The consignment consists of 233 western steers, all fine, fat fellows, of which J. P. Kennedy, president of the Livestock Producers of Canada, is justly proud. Owing to some slight damage being done by fire to the vessels on which they were to travel, their departure has been delayed a few days. In the meantime they are living on the fat of the land, philosophically enjoying the comforts of the present, without concerning themselves too much with the uncertainties of the future.

Rockyford

Dr. Denovan has been appointed coroner for the Rockyford district.

Mrs. C. Kerby has been very ill, and has been attended by Dr. Denovan. She is progressing favorably.

Mrs. C. M. Griffiths is now at home and is progressing favorably.

The Golf Club held a President's Vice-president's tournament on Sunday last, and some good games were played.

Stid Dorsey and Bill Curran performed like world champions.

The tennis season is now in full swing, and the committee want everybody to get out and play as often as they can.

The courts are in fine shape and everybody should take advantage of this pastime.

The fees for this season are gentlemen \$6.00; ladies \$4.00.

A joint recital will be given Thursday evening, May 21st in the Rockyford Hall by Mrs. Odella Myers and Rev. P. Holtz. Admission, Adults 75c, Children 25c. Proceeds in aid of hall funds.

Alex. Kilchuk, was committed for trial last Tuesday at Rockyford on a charge of stealing \$700 and of arson. He confessed, it is stated to the theft, but denied setting the building of his employer, Alex. Brown, on fire.

DISTRICT ASSOCIATION MEETING
Societymen of the District Association I.P.A. and I.F.W.A. will meet at Tudor on Saturday, June 6. The principal speaker will be Mr. A. B. Chiswood, M.L.A., who will deal with the organization of the livestock, dairy, and poultry pools.

Cheadle

Mr. and Mrs. Geo. Melroe, of Rockyford, were week end visitors at Chas. Cheadle's.

Mr. and Mrs. L. Wade, of Calgary, were Sunday visitors at R. H. Wade home.

Mr. and Mrs. R. A. Landy, of Calgary, were Sunday visitors at O. G. Craig's.

Mrs. W. H. Miller, who has been in the hospital, at Calgary, for a week past, is reported some better and out of hospital.

During the past week quite a number of trees have been planted around the village by some of the men. Whether this was done for exercise or to beautify the place, or whether it was the hot sun, we do not know, but it was a good move anyway, and with any kind of luck this year it will be an incentive to plant more next year.

Mr. Ray Miller spent a few hours fishing on Sunday at the Bow, and brought home a good string of Pike, which he kindly let us all have a share of. Thanks Ray for our share.

Seeling about completed, and should be finished in a week.

Fourth Annual Tour To The Pacific Coast

Special Train from Winnipeg via Canadian National Railways. Entertainment provided for at Various Points of Interest En Route.

Personally Conducted

Personally conducted tours offer the best opportunities for familiarizing oneself with the country traversed; this applies to our own country as well as to the older settled countries of Europe. Canadian National Railways has, for many years, conducted immediately after the close of school for the summer holidays, conducted special parties to the Pacific Coast via Prince Rupert. The tour this year which will be the fourth will again commence at Winnipeg, from which point a special train of modern sleeping car equipment, dining car, and radio observation car, will leave July 6th. After stopping at various points of interest, the train will arrive at Prince Rupert on July 11th. At this latter point, the party will embark on a palatial steamship for a cruise of 500 miles through the famous "Inside Passage" to Vancouver. While on the tour, the party will be accompanied by those who desire to make a trip to Victoria, may have their tickets read "Victoria" as their destination with out any additional cost.

THE ST. LAWRENCE
THE MARITIME PROVINCES

A cruise on the Great Lakes from Port Arthur, Port William and Duluth is one of the most enjoyable experiences that can be imagined. The majestic ships (S.S. "Noricomic," "Hiramonic," "Hilaponic") of the Northern Navigation Company form the water connection of what is known as the Canadian National Lake and Rail Route to the East.

Full information gladly given by E. M. WILSON, Ticket Agent, ROCKYFORD, ALTA.

Namaka

Mrs. Morgan left for Longmont, Colorado, on Monday last, in which place she will make her home.
Two fine Percheron stallions were unloaded here by the Geo. Lane Co. last week. One of these will stand at Basil Paynes for the season. The other will remain on the Namaka farm.
Our population is increasing rapidly. A fine pair of twins, a boy and a girl, were installed at the home of Mr. and Mrs. Alex Montgomery on Tuesday, May 12th.

At the Ladies Aid meeting, held at Mrs. Woosters on Thursday last, the hostess was re-elected president by acclamation. The other officers also remain the same as for 1924.
A sale of work and home cooking will be held at Mrs. Johnson's on Saturday, May 20th, under the auspices of the Ladies Aid. Afternoon tea will also be served. Everybody welcome.

Practically all the Namaka school children took part in the school carnival on Saturday last, and are to be congratulated. On the way they acquitted themselves well. One great draw back was the absence of Mr. Collier, our teacher. He left Calgary early on Saturday morning but was in attendance, but unfortunately met with what may have been a serious accident. The front wheel broke loose from the car en route, from which he received a severe shaking, and a badly hurt leg. He is still indisposed.

Miss Cochrane arrived here on Sunday last, and commenced teaching at Namaka school on Monday.

Dalemead

Mr. and Mrs. J. P. Davis and family, who left for France last Fall, to stay, took the district quite by surprise when they returned last week. They will, however, reside at High River.

Mrs. W. Gilbert left on a trip to Toronto last Thursday, May 14th. We wish her a pleasant holiday.

Yes, Fred Dahlan has another car. It's a Willis-Knight this time.

Dalemead is a scene of great activity these fine spring evenings. Last week several teams were engaged on the tennis courts, and the boys were taking a great deal of interest in catch. Some day they may play football.

The Rudolphs have relatives from England visiting them these days.

Social & Personal

A nine pound baby boy was born to the mother of the Standard and Mrs. Mackenzie on Sunday evening. Mother and child are doing well.

Mr. J. W. Arnold, our new paragon man, and Mrs. Arnold are expecting the birth of a son at Calgary last Wednesday.

Mrs. J. V. Moran returned last week from Winnipeg, where she has been for the past month. Mr. Moran, an father and mother died in Winnipeg last month.

Messrs. Anton Piers and Otto Bremer are at present on a visit to Chicago and other U.S. centres. Miss Rose Piers is on holiday at the Coast.

Fr. Duggan attended the reception, etc., to the Rev. at Rev. MacKinnon on Sunday evening. His arrival in the West.

Rev. and Mrs. J. H. Rowe are this week attending the Methodist Conference at Edmonton. This is the first occasion on which the Methodists have had a separate body, the Church having joined the United Church unanimously.

Mr. and Mrs. Eric Englund leave today on a visit to their home in Sweden, which they have not seen for thirty years. They will sail from New York by the S. S. Berengaria, one of the biggest ships in the world. When Mr. Englund came out first he had a slow journey in a small boat, and decided that this time he was entitled to a fast and comfortable trip. Mr. and Mrs. Englund richly deserve their holiday, and all will wish them a pleasant time.

Mr. Norman Holmes, a former Buchanan merchant, was in town on a business visit last week.

POOR GERMINATION IN OATS

Attention of the Provincial Department of Agriculture has been drawn to the fact that considerable wind and hail in northern parts of Alberta are showing poor germination. It is pointed out to farmers that no seed should be sown unless the germination qualities are known. A sound sample of the seed should be sent to the Dominion Seed Branch, Calgary, for a germination and purity test. The test costs only 25 cents per sample.

MERIT BRINGS ITS REWARD

Miss Dorothy Stacey of the Hollingshead Commercial College, has been awarded a gold and enamel medal and parchment certificate for skill in typewriting by the Remington Typewriter Co. The possession of this award is the hall mark of a high grade of efficiency in speed and accuracy in typewriting, and a valuable aid to a commercial career.

Miss Jennie Pinel, who already possesses a gold medal, has had an additional award of a silver badge presented to her by the Underwood Typewriter Co.

STAMPEDE TO STRATHMORE, JULY 15th

Langdon

Mrs. G. Henderson and three little
girls are enjoying a three weeks vaca-
tion visiting friends at Vancouver,
B.C.

Mrs. H. J. Griffith was the fortunate
winner of a present tube at the Cal-
gary Herald's anniversary contest.

Mrs. Harold Juley, President of the
Calgary Council on Child Welfare, gave
an interesting address at the W. I.
meeting held at the home of Mrs. V.
E. Dye, May 6th.

Margaret Brander is a guest at the
J. Rae home this week.

F. Stollie, who recently purchased the
"ornick cottage" is having exten-
sive repairs made by George Clark.

The Strathmore Athletic Club donated
funds to the following various
clubs. Twenty-five per cent, of
funds to the Baseball Club, twenty-
five per cent, to the Girls' Club, the
five per cent, to the Langdon
athletic club, and the balance of the
funds for the school, W. I. as a
donation will be charged for the
and for charity, and nearly fifty dol-
lars.

MARITIMES ASK FISCAL INDEPENDENCE

The revolt against protection is not
confined to Western Canada. The leg-
islature of Nova Scotia recently passed
a resolution protesting against the
neglect of Nova Scotian interest in the
conduct of Canada's affairs, and asking
for the right to fix their own tariff.
This movement is sponsored by
Conservatives and Liberals alike. The
Maritime Provinces find that the re-
sult of protection has been to deprive
them of their natural markets, while
instead of assisting industry, the in-
dustries have moved to Central Canada
along with the banks and other trade
institutions.

The West and the Maritime Provinces
find protection useless to them
as a means of affording a market for
home products. Ontario and Quebec
have undoubtedly found it of value in
promoting manufacturing. The rest of
Canada cannot afford to continue pay-
ing tribute to the two central prov-
inces and continue to prosper. A
compromise must be found if Canada
is to remain a unit in custom duties.

The main hindrance to fiscal unity
is distance. Halifax is closer to
Great Britain than it is to Vancouver,
and Alberta finds its main outlet now
through Vancouver and the Panama
Canal to Britain, not to Ontario or
Quebec.

If the Western Provinces and the
Maritime Provinces can come to an
agreement on custom action on tariff mat-
ters, they may be able to change
Canada's fiscal policy, and the man-
ufacturers of Ontario and Quebec will
then have to stand on their own feet
not on ours. A delegation of western
members is visiting the Maritimes this
week, and some action may result.
The West, however, to get relief, will
have to continue to elect members who
are in favor of low tariff, and members
who will maintain in the House of
Commons the principles they advocate
on the platform. Moreover, the mem-
bers elected from the West will
need to exhibit more cohesion than
they have so far if they are going to
get anywhere.

WESTERN BUTTER FOR THE ORIENT

According to figures published re-
cently, nearly two million pounds of
butter were exported from Vancouver
during 1924. The bulk of it went to
the Orient. The figures were: Japan
528,228 lbs.; China 289,070 lbs.; Hong
Kong 20,816 lbs.; Philippines 188,266
lbs.; United Kingdom 767,872 lbs. The
bulk of this butter came from Alberta.
Alberta's total export of butter by all
routes in 1924 was 4,100,000 lbs.

MUCH CORN BEING PLANTED

Southern Alberta farmers are so-
ling in for corn planting on a greater
scale than ever this summer. Last
year it was estimated that 67,000 acres
were in corn. The total will probably
reach 100,000 acres this year. Seed
corn for 27 plots is being sent out
from Lethbridge, and there is expected
to be a splendid showing for the corn
show which will be held in Lethbridge
in November.

Excellent Hams

Boiled, baked or—raw
ham for frying—we always
have a fresh assortment to
offer you. They're a mighty
tasty item for luncheon any
time.
